

Economic Benefits of Off-Highway Motorcycles

Economic Benefits

August 10, 2009

Not only is off-road motorcycling provide a fun, active, family-friendly activity - it also brings economic benefits to communities across Canada.

Recently, the Ontario Federation of Trail Riders completed a study of the economic impact of off-road motorcycling on communities in Ontario. Many of their conclusions apply in other provinces as well, including our own. Certainly the tourism connection is an important one in Nova Scotia!
